Letter from the President:

Summer is finally here! Memorial Day has passed, and I am sure the kids are ready for an exciting and long summer. The "New" Snack Bar at the BV pool is open, so please stop by and enjoy the great selection of items along with your favorite beverage. July and August are always filled with busy activities during the month, and this year is no exception. There is a July 4th celebration at both pools, Shrimp Boil at the pool, "Wet n Wild", beer and wine tasting, kid's camp, and great golf and tennis throughout the summer months!

As you will see on the page below, a huge weekend is planned in October to celebrate 137 years of tradition! Please mark your calendar as this will be a weekend to remember. With all that we have going on this summer, I hope everyone has a chance to come out and experience our great Club!

Will Franklin
GCC President
